

Formwork Clamps

Custom Design Clamps

Part Number: 111.000.0004

Product Description:

Concrete Support Systems, LLC has a full line of formwork clamps for all Euro Systems. These clamps are precision castings that are heat treated and designed to stand up to the toughest jobsite conditions. These clamps have all been designed to specifically work with each manufacturer's formwork side rail. Each clamp design has undergone extensive third party laboratory testing to ensure proper safe working load.
